Administration

Mr. Raymond S. Frazier
Principal

We have had the privilege of knowing our assistant principal, Mr. Dyer, both as teacher and for the past two years, as administrator. He has earned the respect of the student body in both of these fields. In addition to preparing schedule cards and supervising many school programs, he has also been in charge of the American Field Service program, bringing interesting foreign students to our school.

Mr. Alfred G. Dyer
Assistant Principal

Miss Vivian F. Greene
Assistant Principal

It is a privilege for us, of the class of 1958, to add our voices to classes in the past, and honor our worthy principal, Mr. Frazier. Though his duties range far and wide, he has never been too busy to concern himself with us as individuals and as a group. The Kenitorial is certain of expressing the feelings of the entire student body in this tribute to a man we admire and respect.

A tropical bouquet, also, to Miss Greene for her able assistance in our school's administration. From her we have learned (perhaps the hard way) the importance of punctuality and regular attendance to our school progress. Neither transportation problems nor after-school detention programs have dimmed her bright smile when we approach her for help in job placement, or pertinent advice.

I

The throbbing drums resound in morning air
The silent challenge of a new-born sun,
The murmur of awakened men who share
The fierce excitement of the jungle run.

Deep in the wild meshes, moss and leaves,
And dark green labyrinth of tangled vines,
The anxious spirit of adventure heaves,
The underbrush of youth with age entwines.

In noon-day heat the bare machetes gleam
As sweating tribesmen fell the tangled brush;
The wise, old voices of the chieftains seem
To thunder as they guide the journey's rush.

And through the narrow slats of trunks, the eyes
Of silent, moveless beasts stare, ever still;
The travelers quake, and then a youth descries
Their warriors, ready to defend—and kill.

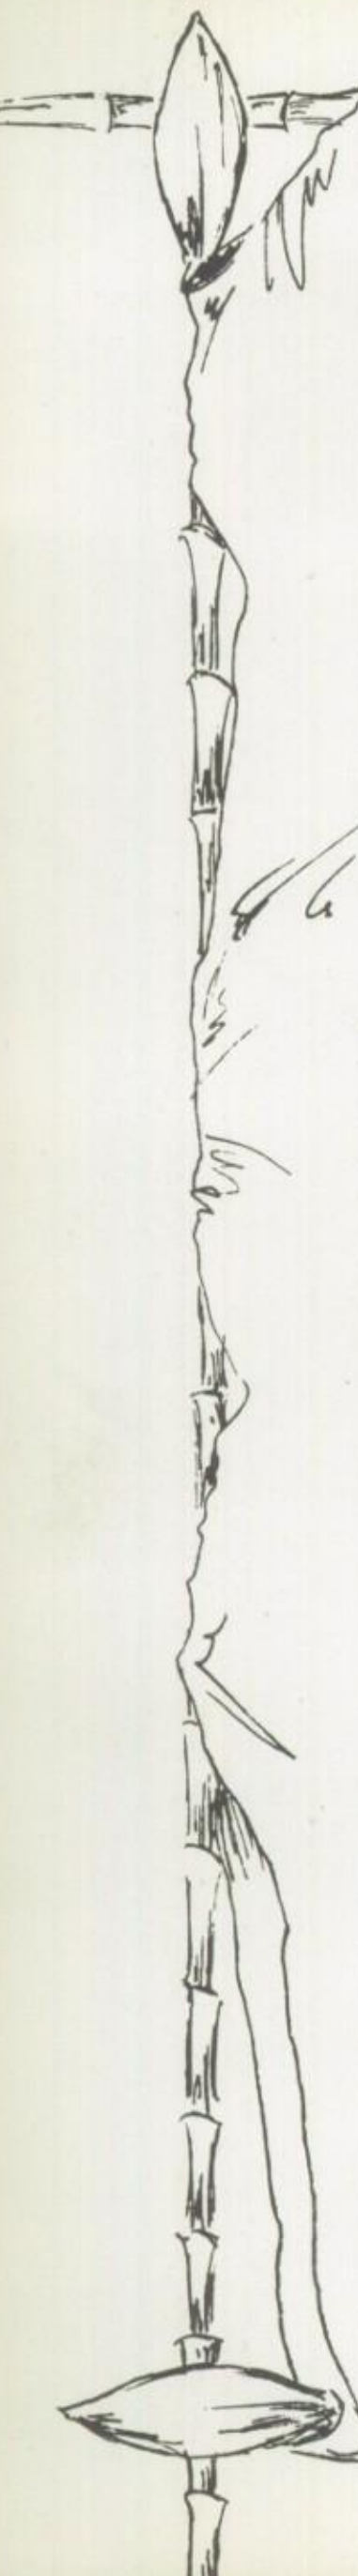

The long trek north proceeds through grassy knoll,
Past foaming stream and endless trees;
And then at dusk the great safari finds its goal—
The ruddy stretch of the open seas.

II

And thus have we toiled long to clear a path
Through jungles dense, untouched by breeze;
And long have we been guided, that we might
Best be fit to meet our destinies;
So now we leave this venture—Kenmore,
And launch our youthful ships on unknown seas.

Diane Downing

Class

Among the paraphernalia that was sold at the annual auction in Buta last week were a ruby, supposedly valued at \$9,148,432,000, a worthless elephant tusk, and a much bedraggled, old suitcase containing a document called *The History of the Class of 1958*. To our fortune we were able to get this last. A hmm . . . let's see what it says . . .

As *Freshmen* we found our hopes jolted when we were sent into the wild turmoil of the Kenmore Senior High Jungle. Beside the tall native seniors, we felt like the little lost Pygmies of Ashango. However, we did not let the upperclassmen know our feelings. Soon came the chance to prove ourselves. John O'Neil, Brenda King, Andi Rosenstiel, and Neil Waldow were elected President, Vice-President, Treasurer, and Secretary, respectively, of the class. In the Freshmen Frolic, we searched in outer space for an escape from the raging wilderness. During our adventure, "Crazylegs" Yendall led the Freshmen to a 6-0 win over the sadly deficient Varsity. With the "Twelve Little Freshmen," we found our paradise in Utopia, "Behind the Blue Horizon." Having succeeded, we felt quite honored not to be excluded from the biggest dance of the jungle year—the Tinsel Ball. The greatest trial we had to face was yet to come. If we passed our first regents, we would become true natives of Senior High.

On we traveled through the hot, dry summer in a state of ecstasy, because we would soon be *Sophomores*. Our first duty as Sophomores was to elect our tribe's leaders and advisors. They were President John O'Neil, Vice-President Sue Eiken, Treasurer Mike Luther, Secretary Jean Robertson, and advisors Miss Joan Kohl and Mr. Richard Larson. Daisy Mae, Lil' Abner, and the Schmoos linger in the memories of the original Sadie Hawkins Day Dance held then. That year, the J.V. basketball team was led by Rohe, Reid, and "Jungle Jim" Rindfuss. Drums beat out the message of the coming spectacular Sophomore Show. The numerous rehearsals ended in jam sessions headed by Jack Gaynor. On the night of the show, the audience roared as we presented Dave Eby, Kenmore's own Elvis. And, oh, who will forget the Mau-Mau upperclassmen who waged war on Sandy Johnston, Judy Allen, Cindy Parker, Jack Klaus, Paul Knox, and Sal Sedita after a Booster Club meeting? With spirits high and hopes great, we eagerly awaited our Junior year.

During our *Junior* year, President Jean Robertson, Vice-President Mike Luther, Treasurer John O'Neil and Secretary Judy Allen led, while Wendy Hartburg, Janet Lincoln, and Peg Lip-pard were chosen to cheer on our tribe's teams. Dick Page courageously wore the Blue Devil mascot at football games. Our newly formed cross jungle team, sparked by star Paul Wydysh, finished the season undefeated and as champs. A great colorful celebration in spring, called the Blossom Prom or Japanese Gardens, with decorations chairman Kathie Becker, was held. Here Mike Luther

History

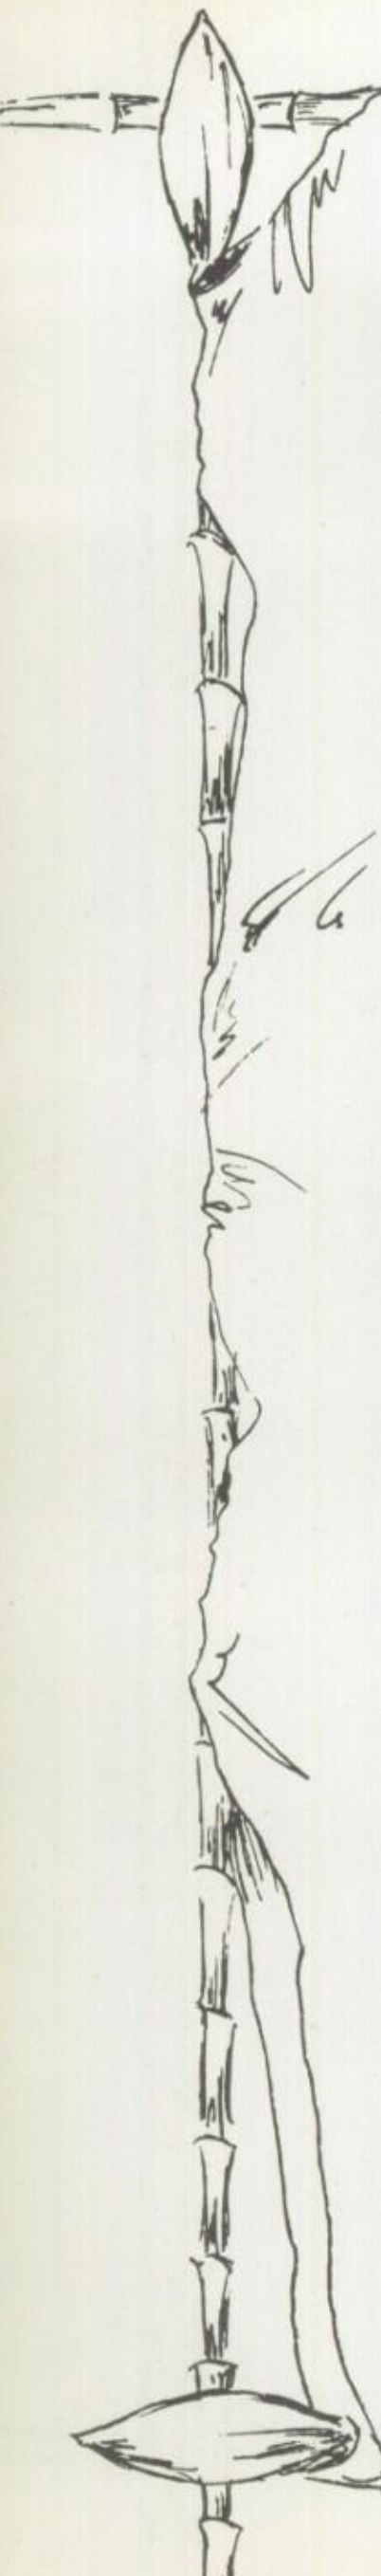

and Jan Lincoln ruled as King and Queen of the Junior clan. This was the year our medicine men and medicine women were to prove successful. The paths of the jungle were endangered when Linda Kliment, Judy Luhman, Linda Keedy, Toni LoRusso, Dave MacLeod, and Dave Shideler received driver licenses. Near June, the seniors, juniors, and sophomores held a powwow and elected Vaughn Clay President of the Student Council. After recovering from the usual hard exams, most of us went to rest in our huts for the coming Senior year. However, Jean Robertson spent her summer in Germany; Andi Rosenstiel was at U.B. taking a specialized math course; and Larry Okun, Sue Siekmann, and Vince DiPasquale were at Roswell Park Institute working on their science projects.

September 1957 came, and also our foreign exchange student, "Gabi" Wellmer, came, through the sponsorship of the American Field Service program. She was to prove quite a dancer and a wonderful, warm-hearted girl. Finally we were the tall native *Seniors* advising the Pygmies. New leaders were chosen. They were President Mike Luther, Vice-President Brenda King, Treasurer Neil Waldow, and Secretary Andi Rosenstiel. We rooted our football team led by "Rosie" Rosenthal on to many victories. Thanksgiving vacation brought the best Senior Carnival ever. Tom Pollard and his "Ode to a Sputnik," and "Jailhouse Rock" were the funniest. In the American Bandstand mock, we learned that "Stella" Baker and "Irving" Maunz had been going steady six months. To top festivities, Jack Miner and Andi Rosenstiel were chosen King and Queen of the Carnival. "Saying it with Music" we said "Adios" to the class shows. The invention of T. V. added antennas to our little thatched huts. There was great excitement when it was announced that Keith Adams, Lonnie Katzman, Tony Serfustini, Pat Jones, Diane Kelly, Annette LoRusso, and Linda McMahan were official Mouseketeers! The most exciting athletic event of the year was the basketball game with N. T., which we won by one point! The campfires were lit that night as Carol Martin, June Spiegelman, and Bill Libby taught everyone the ancient tribunal dances. Time passed quickly. Larry Okun won great acclaim when he was a finalist in the Westinghouse Talent Search, as also did Dave Coulter, Vince DiPasquale, Sue Siekmann, Dave Moody, and Diane Downing, who won Honorable Mention in the same. Carol Van Tassel was honored as Kenmore's own "Betty Crocker." Kenmore again was to have a long list of scholarship winners to add to its good name. Gone were the Senior Play, "Our Town," the Senior Prom, Class Day, Baccalaureate Sunday, Graduation, and all the tears and joys we came to know through the years. Ours was the only four-year stay. We now leave the jungle to enter the world of the learned, and as we "stroll" our separate ways, we will have these "Moments to Remember."

Class

It is a dark night in the heart of the jungle. We're floating down a crocodile-infested river on a leaky raft. The natives are closing in, and we realize that this is our last chance to write the class will. Let's see now

Diane Kelly and Kathy Feuchter leave their treasury books in disorder.
Jan Lincoln regretfully leaves her bubble gum behind.
Laura Haag wills her Hi-Y recording secretary's book to anyone who can follow.
Sue Schramm's Parliamentary Procedure.
Pique Kaiser bequeathes her ability to drive in neutral to some future hot rodder.
Captain Dave Rosenthal and team mates Chuck Elliott, Sal Sedita and Paul Knox leave their contusions and abrasions to next year's pigskin pushers.
Vaughn Clay wills his charge account at Krauses.
Jim Boguslawski bestows his "Irish" name on anyone who can spell it.
Sandy McLellan wills her grace, beauty and charm . . . so she says.
John O'Neil leaves his ability to find expectant "boy" cats.
Cindy Parker wanders away, happy in her own little world.
"Haille" Suttell leaves his hilarious imitations.
And speaking of comedy, Bev Henry graciously relinquishes her title as "Committee-woman of the year."
Jean and Joyce Innes leave us still confused.
Brenda King bestows her "Sunshine" on anyone in need of same.
Still dieting, Tom Gerst departs.
Carolyn Engelfried leaves her history making observation: "Be Ivy or Die."
Bill Thomas gives up his "Seagullers" position in fourth period.
Kathie Becker wills her ponytail to anyone desperate enough to use it.
Barb Benjamin grants her extensive wardrobe to all of Kenmore High's clothing drives.
Mark Howard leaves with a "Glo."
Would Annette LoRusso and Conni Newton dare bestow their laughs on some unsuspecting juniors?
Larry Okun leaves his darkroom to pursue his new-found college indoor sports.
June Jones leaves her footprints in her dented locker.
Jeanne Evans won't leave 'til she's combed her hair . . . But what's a lifetime among friends?
Jayne Evans wills her pink and black negligee
Where will Hi-Y hold their parties when Don Peters leaves?
Neil Waldow and Keith Adams leave the "pond" to next year's Mermen.
You can't take it with you, but "Melon" Schilagi will try.
Judy Chase leaves her ability to "bomb" down Delaware Road right past her pedestrian friends.
Stan Czech and Gerry Caruso leave, with regrets, the junior class.
Nancy Wing, alias Vane Vague, contributes her vastly perceptive mind.
Ruth McEuen wills her Drum Major's hat to anyone whose head is strong enough to hold it up.
Gerry Pearson wills her ability to skate on her ankles.
Jack Miner donates his leopard skin shirt to next year's Carnival King.
Pat Anderson leaves her "date" book.
Marki Smith, K.H.S.'s Elsa Maxwell, wills her slumber parties.
Cory Gifford leaves . . . SIGH!!
Lin Kliment motors away, still insisting that she didn't back into that lamp post.
Barb Smith would relinquish her Girls' Letter Club pin, but she just doesn't seem to be able to locate it.
Kathy Morrison leaves Kay . . . right in Mr. Barna's lap.
Jim Day turns in his "Refs" whistle and his *nice* white sneakers.
Del Cid is just waiting.
Sharon Mitchell leaves $H_2 + Cl_2 \rightarrow 2HCl$
If Sue Kick leaves anything, it will be her ability to play deck tennis.
Tony Serfustini wills his blue Varsity sweater to next year's individual.
Bev Peirce and Deanna Porter depart without having had their seemingly quiet manner affect Nina and Nona Goff.
Now that the food is gone, Judy "Munchy" Muncey abandons her lunch table.
"Mad Dr." Green wills his record number of accidents to next year's safety-first driver.
Judy Luhman leaves her black Ford to someone who knows how to change flat tires.
Bob Dibble troubles Mr. Mooshie and others no longer—he's leaving!
Jo Messinger wills her desirable stool at Zar-Pas.
We can't "Bear" to see Katzman leave.
Rita Amigone and Sharon Armstrong leave the Girls' Locker room in peace. They've stopped singing!!
After regaining his balance, "Thirty-second" Libby staggers off in search of radio beams!
Jean Robertson wills her plaids to the clan.
Ellie Lynde drives (?) away after completing her friendly lessons prompted by those anonymous notes also,
Elanawr hates speed!

Will

Bob Evans leaves "Jughead" to the comic strips!
Sandi Kenyon struts out leaving Mr. Flanagan with one thought . . . peace and quiet.
Judy Shaw leaves her sweaters to Nancy "Belle" Gill.

"Andi" Rosenstiel leaves her accumulated ticket stubs from round trips to Hanover.
Karen Olstad deposits "Olaf" among her paint brushes.
Ron Rohe wills his battered glasses to future unfortunate basketball stars.
"Ace" McLeod and "Benito" Abt "pig" and "hog" away respectively, leaving Benito's Fan Rating System.
Liz Markarian leaves without achieving her goal: The deciphering of her Booster Club minutes.
Ann Shoemaker finally leaves "raunchy."
Lacking originality, we can only say . . . Jackie Horner leaves her corner.
Mike Luther leaves his teachers . . . troubled.
Carol Van Rheeden takes her bowling ball and leaves . . . the ten pin.
Otis Blaumanis can't leave a nickname, his friends haven't thought of one yet.
Linda Keedy leaves her diet; she never used it anyway.
Tom Pollard and Bill Bradley leave . . . Incorporated!!
Dick Hilary leaves his jokes in English class . . .
The senior girls leave Mr. Burns and Mr. Kraus as social directors of the cafeteria.
Judy Allen departs . . . the undisputed crabwalking champion of Kenmore Senior High.
Sheila Geddes leaves Mr. McLaughlin with tears of . . . ?
Art Busch gladly wills "Rumsey" to anyone who wants it.
Bev Anker departs after many hard-won victories for this great 1958 *Kenitorial*.
Dave Moody wills the Biology Lab rat race.
Judy Lengfelder leaves behind her typewriter eraser . . . it's good for a hole or two!
Larry Nemeth wills one slightly flarbed wazoo.
Barry Swanson leaves Dr. Marlak with many time-consuming questions.
Sharon Walters departs, still insisting her name is "Shay."
After putting a successful spring into their dives, Tony Cilano and Dave Shideler depart.
"Adlai" McMahon leaves behind a trail of Democratic stickers, pamphlets, and buttons.
Marg Utts leaves "The Moose" to the big game hunters.
Jim Rindfuss leaves "Rinny" to the dogs.
Sandy Johnston leaves her golden multicolored pajamas to some future slumber party siren.
Who has red hair, plays basketball, and leaves a 1958 pink Cadillac convertible? . . .
Bob Reid, we were kidding about the Cadillac.
Carol Martin won't leave the addresses of her "pen pals."
Sandy Schwartz leaves his memorable recitation of "Ode on a Grecian Urn."
Diane Rymar leaves her speed tests.
Diane Downing leaves Beethoven to Schroeder.
Dick Page bequeathes his pom-pom-making ability to some lucky (??) Booster.
Credulous Chris Jewel leaves Miss Hunt.
Chuck Maunz takes his "Frog" and leaves.
We hate to see Gaby, Kenmore's Jitterbug Queen, leave.
Don Woodin wouldn't leave "Woodie?"
Peggy Lippard bequeathes her "C'mon, you can cheer louder than that!" to next year's head cheerleader.
Chuck Moore wills a perfect record of tardiness and his Eisenhower buttons.
Nancy, "I'll try anything" Shaw surrenders her deliciously burnt pizza pie.
Dave Guyer departs with the speed of a "Bullet."
Lin Haldeman endows her dimples on anyone who can prove in need of them.
Still emphatically debating the Merits of Robert Hall versus H. Seeburg, Tony LoRusso and Kev Cassidy leave.
Pat Jones leaves insisting that Jones is not a common name.
Jack Klaus leaves Miss Scott . . . with a headache.
Sue Bisgeier would will her gym suit, but she can't find it.
Frank Todd leaves a trail of troubled teachers.
The Seniors leave Miss Kohl and Mr. Larson. They're still nursing headaches from the class shows.

As the natives encircle us, our raft springs another leak. We're sinking fast . . . As to our fate, only the future will tell.

A big riot occurred in Gungaland last week. The Young Rocks' Democratic Society, led by co-workers Pat "Prissy-Prim" High and "Adlai" McMahon were charged by Republican Party boss, Charlie Robinson, with inciting the riot. Chief offenders were Tony "Citrus" Serfustini who yelled, "Save your Confederate money, men, the South will rise again!" all afternoon and Betty "Troublemaker" Thomson who ran around screaming, "Mangez-moi; je suis une jellybean," which means "Down with the Republicans." The incident was reported to tribal chieftain Cory Gifford, who took no responsibility in the matter, stating that his tribe voted solidly Red-Meat, backing Vaughn "Think-It-Over" Clay.

The gala affair was marred by the false alarm raid of cops "Big" Biggie and Wes "Pick on the Little Guys" Mayer.

The main attraction will be a balloon blowing contest between the teams of Judy Luhman, who has just returned from a 15 year search for a new hair dye, and Lindsay Kliment, champion beer mug knitter. Luhman's team of Hartburg, Bisgeier, Lippard, and Parker is favored to win over Kli-

ment's team of LoRusso, Johnston, Shoemaker, and King because of the large quantity of hot air possessed by Luhman's team.

Isn't it amazing how these minds store all the knowledge they do? . . . Yes!! But only through much concentration, effort, and long hours did they achieve the top grades in their class. Will they ever forget the nights over cups of coffee when they stayed up doing those projects due the next day or cramming for those exams? Now they can hold their heads high and smile, for they have attained membership in the Honor Club. The class of 1958 has reached another milestone, for this year's Valedictorian, Larry Okun, has achieved the highest average in Kenmore's history—98.0588!!

The National Honor Society is an organization founded for the purpose of encouraging students who have set high standards of scholarship, leadership, character, and service for themselves. The Kenmore chapter was established eight years ago by Mr. Rolland Gladieux. The present sponsor is Miss Virginia Elson, with President Don Peters, Vice President Ellie Lynde, Secretary Bob Buck, and Treasurer Andi Rosenstiel leading the group.

The big social event of this society is the annual banquet held in honor of new members, their parents, and the faculty. The banquet, held in January, was privileged to have as its guest speakers, Mrs. Mildred Meese, a former teacher of many of our students, and Gabriele Wellmer, our foreign exchange student. The topic discussed was a comparison of the American education system to that of Russia. Don Peters amplified this point, and it proved to be an educational and enjoyable occasion.

NATIONAL HONOR SOCIETY OFFICERS: Don Peters, President; Ellie Lynde, Vice-President; Bob Buck, Secretary; Andrea Rosenstiel, Treasurer.

Dear Seniors,

I am gratified to be asked to express my feelings toward the class of 1958. With this letter may I send my best wishes to you and to your splendid Kenitorial staff for perpetuating a tradition — the production of another fine yearbook for Kenmore Senior High School.

You are about to graduate at a time in our history when the world is filled with doubt and pessimism, but you will not graduate unprepared to face these problems. You have behind you another tradition — a broad and sound education, liberal in nature, which will make it possible for all of you to play effective roles as citizens in our society and for you to pursue yet a higher form of education. The world will always need great doctors, preachers, lawyers, teachers, scientists, and businessmen. Let us dispel all fog and fear and look forward with clear vision to an opportunity which is both new and forever the same.

I am sure that the entire faculty joins me in congratulating you and your class and in wishing you all success in the future.

Sincerely yours,

Raymond S. Frazier

HUNTERS

Our safari of knowledge now enters the Land of the Hunters, the Class of '59. Just as the hunters of the jungle searched for and gathered the food for the tribe, so our hunters are searching and gathering—searching for opportunity and gathering in the fruit of their labor, success.

TRIBESMEN

Under the capable leadership of chiefs Jackie Estey, Dick Broadway, Karen Sullivan, and Dave Sugg, the sophomore class embarked on the long safari through the jungle of knowledge. Hacking away at the dense undergrowth, they have managed to clear one-third of the distance, carrying knapsacks loaded with hard work and good fun. During their journey, they cast a spell over an entire village by entertaining the natives with the Sophomore Show. So amidst the shrill screams of the native songs and the beat of the drums, the class has succeeded in conquering the rapids of the River Sophomore and are resting quietly in Lake Junior.

Working hard to keep the Pygmies from attacking the Zombies, this group mediates between the students and faculty. It also takes it upon itself to better the school, acting on such problems as the parking lot situation, which it successfully tackled last spring. Its projects include sponsoring a foreign student and being foster parents to a young Korean boy, Chung Yong Nam. Gabriele Wellmer, this year's foreign student, has been acknowledged by Honorary Membership. Chieftain Vaughn Clay has led the group capably through this year's activities.

Booster Club

The Booster Club has done a great deal to boost sportsmanship and team spirit in our jungle. At their meetings, which are both fun and work, posters of coming sports events are made, and problems of the school are discussed. This year the club has made P. A. announcements of tribal events and thus has helped increase spectators at the games. The Boosters also sponsor safari buses to the various away games. The jungle drums are full of praise for a really swell group of kids.

The Cheerleaders' black magic formula for spirit is composed of lots of pep, a good deal of hard work, and an added ingredient; practice. Under the leadership of chieftain, Peg Lippard, and advisor, Miss Kohl, this group of pretty girls has cheered through rain, snow, wins, and losses.

Never losing their bouncy enthusiasm, they are often the unsung heroes of our games. Along with the athletics teams, they represent Kenmore to the schools of the Niagara Frontier League. As always, they've done a fine job and are a real credit to our jungle.

The Beating of

When our football team is on the warpath, drumming up the spirit not far behind is Kenmore's Marching Band. Their head leader is Ruth McEuen, whose success on the jungle scene as a drum majorette is unsurpassed!

Majorettes and Twirling Club

In the field of tribal dances, these girls have their own particular style, which has proved to be both successful and enjoyable. Under the direction of Mr. Chappell, this group is led by Marilyn Chappell, Head Majorette; Sylvia Valetich, Head Twirling Majorette; and Jeanne Gross, Lead Strutting Majorette.

the Jungle Drum

Dance Band

Creating the latest jungle rumble are Kenmore's Dance and Concert Bands. Mr. Ortolano's baton has brought them successfully through many wonderful performances of music that sets the feet of Kenmore natives tapping!

Concert Band

The members of our tribe who are gifted with pleasant voices weave their black magic in our jungle choir. Giving up their Tuesday afternoons, the girls and Mr. McLaughlin rehearse endlessly for the perfection that provides enjoyment for the entire student body. The beautiful candlelight procession through the jungle and holiday assemblies are always eagerly awaited, for it is inspiring to hear the results of Kenmore's own talent.

Sophomore Girls' Choir

A younger group of chanters, newcomers to our jungle, is the Sophomore Choir. They provide melodious assemblies for fellowship tribe members. Training very hard under Mr. Czar, they are rewarded by a job well done.

A stranger in our jungle is amazed to hear the beautiful sounds of violins, clarinets, and trumpets coming from the third floor of our building. Our orchestra, under the ivory baton of Mr. Ortolano, whips up assemblies that thrill the entire student body.

Glee Club

Although this organization is somewhat smaller than previous years, Mr. "Mac" and the boys have really outdone themselves adding a masculine note to our jungle music. They continue to provide an enjoyable part of our assemblies.

Boys' Hi-Y

This group of boys is certainly a credit to our school. Hoping to achieve a high standard of living in the school and community, they work hard to set a good example. They have done this by such charity projects as a clothing drive and food baskets for the needy. Fun also comes under the heading of this organization, and the dinner meetings provide many good times, as do the joint meetings with Girls' Hi-Y.

Senior Girls' Hi-Y

This active organization is well known and well respected around our jungle. These hardworking girls combine fun with helping the community and the school. Their joint meetings with Boys' Hi-Y provide entertainment and also result in the very successful Invitational Ball. The high standards of the girls reflect due respect on the organization and on the school.

Beta Hi-Y

Helping others, aiding the community, and having fun are the aims of Beta Hi-Y. Easter egg coloring, food baskets and clothing drives are the things they do to help others and to help the communities. The fun comes in doing these things and in the meetings and parties they have. All in all, it is a very successful organization.

Y-Teens

Sponsored by the Y.W.C.A., this spirited group engages in activities which enable the girls to improve our community, a job that is lightened by parties and dances. President Ann Smith, Vice-president Doris Willard, Secretary Cynthia Thomas, Treasurer Mary Ann Egloff, and Chaplain Janice Ingram lead this group on to bigger and better things for Kenmore.

Future Nurses

These are the girls who may some day be the Dr. Livingstones of Africa as they prepare themselves for careers in nursing. Under Witch Doctor Jackson's eye and the leadership of its officers Sue Ann Kick, Liz Chesley, Carol Nix, Nancy Dudziak, Carol Kitchen, and Elaine Spear, they plan to enter the nursing profession intelligently.

Future Teachers

Anxious to fulfill the urgent call for more teachers, these students have taken it upon their shoulders to increase their interest and explore the teaching jungle. Officers Vaughn Clay, Jean Innes, Jim Rindfuss, Pat Anderson, Sue Allen, and Fran Kaufmann and advisors Miss Mary Moritz and Mr. Paul Roth have brought before the group various aspects of teaching and led safari visits to community classrooms.

The Jungle is Large . . .

For these students, trailblazing isn't hard, for "all roads lead to Rome." Their road is that of greater learning and understanding of the ancient Roman people. Los Buenos Vecinos

White Elephants! This club collects a herd of jungle animals and then sells them to eager Kenmorites at their annual Spanish Fiesta. Miss La Duca and tribal officers Sheila Geddes, President; Sandy Fried, Vice-President; Kathy Feuchter, Treasurer; and Janet Bouton, Secretary, have successfully led this club in the safari of Spanish lore and customs.

One of the real highlights of the school year is the presentation of the Aquacade. Behind this beautiful show of water ballet is a group of talented girls and months of practice. These tribal mermaids certainly deserve a hand for the outstanding work they perform.

All-School Play

This year's all school play, *The Divine Flora*, was one of the best Miss Strong has ever presented. With such fine actors and actresses as Judy Lengfelder, Otis Blaumanis, Gail Allen, and Marge Selden, the humorous plot of scheming teen-agers became very much alive.

Audio-Visual Club

"Lights! Curtain! Action!" These are the cries of the behind the scene heroes of our class shows and school plays, the stage crew. They certainly deserve a verbal round of applause for the hard work they do to make school presentations a success.

Every senior class feels that their Senior Carnival is the biggest and best ever. Of course we go along with this, and we are sure ours topped them all. It was truly a riot to rehearse under such wonderful advisors as Miss Joan Kohl and Mr. Dick Larson. We hope that you had half as good a time watching it as we did presenting it.

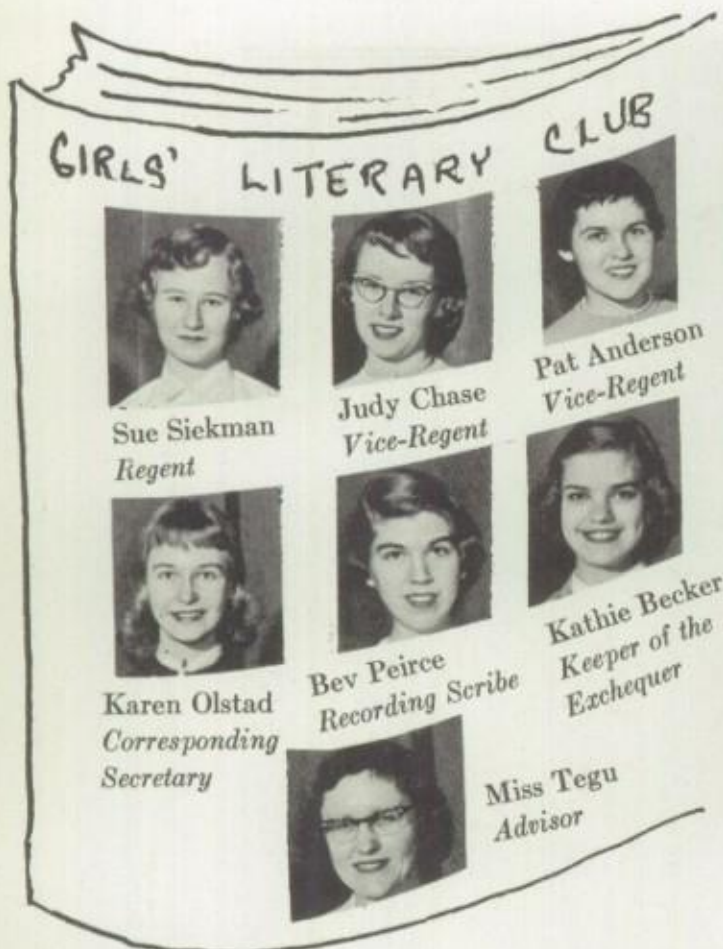

Thespians

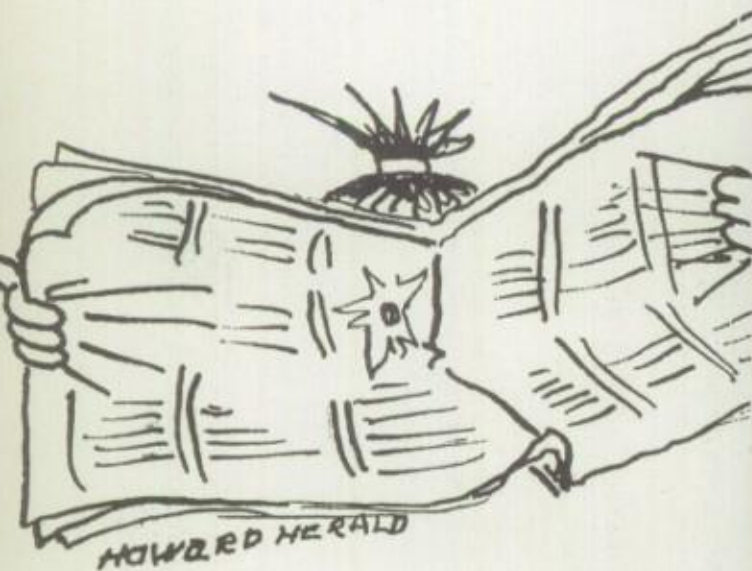

The most talented and hardest working of our jungle theatrical group are rewarded with membership in the National Thespian Troop 108, Kenmore Chapter. In this organization, led by Miss Eve Strong, they are given a chance to study acting techniques and perform for tribal functions. Some of them may someday see their names in lights.

Highlights of the year are the Christmas tea, which honors English teachers and librarians, and the annual mothers' tea.

The Varsity Club is very proud of its accomplishments this year. We take special pride in the establishment of our Code of Ethics, which explains what is expected of a Varsity Club member. It also sets goals and establishes ideals for the athletes who are members now or will be in the future.

The Varsity Club Reunion was a tremendous success this year, as it has been in the past. Our guest speaker, Carl Kluckholm of the University of Buffalo, gave an interesting talk. Mr. Larry ("Bud") Pitkin made the alumni, coaches, and lettermen feel right at home.

Our parents were made guests of honor at our Parents' Nights for football, basketball, and swimming. They thoroughly enjoyed themselves.

We hope that we made the basketball games more enjoyable through our "sportscasting."

Though our accomplishments are impressive, there is still much to be done. We will continuously strive to uphold the high standards of our school and to display sportsman-like conduct at all times.

This year's football team did an outstanding job in securing a fourth-place birth in a tough Niagara Frontier League. Under the exceptional leadership of Dave Rosenthal, the Blue Devils racked up four wins to three losses with one tie.

The season opened with a non-league game with Olean. The hard-hitting defensive squad held the Huskies scoreless, while Bob Doerr carried the ball seventeen yards for the only score of the game.

In our first league contest the Blue Devils showed what they could do in a clutch by downing the Trott engineers in a fourth quarter rally by a score of twenty-seven to fourteen.

In the big game against N.T., both teams were undefeated: N.T. with a 2-0 record and Kenmore with a 1-0 record. As the game progressed, it was quite apparent that neither team was going to give up easily. The game was highlighted by Kenmore's running and passing 217 yards to N.T.'s 111 yards in rushing and 87 yards to N.T.'s 50 yards in passing. The game ended in a thirteen to thirteen tie.

The Blue Devils suffered their first defeat at the hands

of the Tonawanda Warriors, with a score of twenty-five to zero. The next Saturday found Kenmore battling a tough Niagara Falls team. Hard hit by the flu, the team suffered their second defeat by a score of twelve to zero. With more games to play, Kenmore pitched against LaSalle, one of last year's co-champions. In a very close, exciting game the Blue Devils came through with their second league victory of nineteen to twelve. In a make-up game against Lockport, the Devil men trampled the Lions thirty-eight to six. This victory put Kenmore in the position to tie for second place in the league. With this hope Kenmore met Lackawanna on a bitterly cold, windswept field. However, the Steelers stole our bid with a six to zero shutout. The Blue Devils ended the season with a 4-3-1 overall record and a fourth place in league standings.

A commendable season was played by All-League Sal Sedita and Bill Libby. Dave Rosenthal's sparkling running and excellent defense were a great inspiration to the team. Gerry Collard will lead next year's Blue Devils in a very promising season.

The Kenmore cross-country team, capably captained by Don Peters, maintained an undefeated record for their second season. Outstanding efforts were shown in the East Aurora Invitational Meet and at the Section VI run at Springville. The East Aurora win provided the greatest moment for the team, since four of the regular top seven runners were sidelined by the flu. Roger Robson led the 150 runners that day. Tim Burns

and the squad had an equally triumphant day when Tim led in 120 other runners. Next year's squad, under the direction of Ray McMahon and Coach Frank Hyatt, will be bolstered by the return of seven lettermen. The outstanding record of the season's Kenmore cross-country should be maintained by the many top runners who will be returning next year.

Coach Mooshie's spring golf squad enjoyed a very successful season, attaining the league championship with a record of eight wins and no losses. The team also won two non-league matches with East Aurora and split two with Amherst. The last league match of the season was particularly outstanding as the Kenmore golfers defeated Lackawanna at the South Shore Country Club.

Captain Doug Spencer paced the hard-fighting team, with Bill Libby, Rog Gray, Joe Spaeth, and Bill Mattern also contributing noteworthy performances. Rog Gray takes over the duties of captain for the 1958 team.

Kenmore's fall golf team, coached by Mr. Walters, drove its way to a league co-championship with Lackawanna. Captained by Rog Gray and managed by Bill Kamman, the team had an overall record of nine victories and one loss. Lackawanna provided Kenmore's only defeat while our squad handed them a single loss.

Paced by Paul Setter, Rog Gray, Bruce Turner, and Doug Messing, the team had an excellent season. Hopes are high for another successful year under Paul Setter, captain of next year's team.

The '57-'58 edition of the Kenmore basketball team finished the season sharing a threeway tie for first place with Tonawanda and North Tonawanda. Compensating for the overall lack of height, the cagers used the fast break to overcome their handicap.

Sparked by transfer Joe Kelly and sophomore Pete Bisgeier, the team rebounded after an early defeat to win five league contests in a row. The squad then suffered two losses at the hands of Tonawanda and Niagara Falls, the former by a mere two points. They promptly returned to gain five league victories.

There were several memorable battles on the league's courts this season. The Blue Devils broke Lackawanna's famous home-court tradition by trouncing the Steelers by twenty points, the widest margin of defeat in the "pill box" in many years. The Trott game promised further excitement as the first half ended in a 29-29 tie. Although Trott attempted a fourth period rally, Kenmore's strong counterattack thwarted this plan. Among all the exciting games this year, the North Tonawanda games really stand out. In the season's final game against N.T., the contest which decided Kenmore's hold on first place, players, coaches, and spectators witnessed many tense, breathtaking moments. Due to both teams' sturdy defenses, the score at the half was only 19-15, favoring Kenmore. The final minutes rang with the incessant cheering of the capacity crowd as the score tallied a 34-34 tie. "Fireball" Bob Reid sparked the final drive with a field goal and two foul shots, concluding the game at 41-34 for the victorious Devils.

Coach Hube Klein's Blue Devils have certainly added to Kenmore's athletic prestige with their commendable record of ten wins and four defeats. Ron Rohe has done an outstanding job as a teammate and the captain for the squad. His summary of the team's ability is; "If we played us, we'd kill us!" We wish the team the best of luck in the Sectional competition.

Coach Rog Hancher led the Kenmore Merman through another successful season. Losing only to Tonawanda, the team finished second in the tough N.F.L. As a bonus the squad did very well in the Sectionals and at the Binghamton Invitational Meet.

The season opened with easy victories over LaSalle and Niagara Falls in our own pool. The squad then travelled for their next five meets to North Tonawanda, Tonawanda, Lockport, LaSalle, and Niagara Falls. The North Tonawanda meet will long be remembered in swimming circles. The contest was extremely close even until the 200-yard medley relay, when our boys pulled it out of the fire by two points, 44-42. The next meet found us battling a record-breaking Tonawanda squad. Unfortunately, we dropped this one by an exciting 54-32 tally.

The season saw Bill Penn and Pat LaForte earn school record laurels in the 100-yard backstroke (1:07) and the diving (182 $\frac{1}{4}$) respectively.

As a sidelight North Tonawanda sponsored a relay meet to commemorate "Prince" Bebe, a swimming enthusiast for many years. Kenmore's swimmers captured three of the seven trophies. The events won were the 100-yard medley relay, the 200-yard breaststroke relay, and the 200-yard backstroke relay.

Next year looks promising as we are losing only six of our lettermen. There are men returning to fill the vacancies in almost every event. Congratulations go to Co-captains Keith Adams and Neil Waldow for their fine leadership and swimming. To Chuck Maunz, Gil Green, Tim Prell, and Dave Shideler also go honorable recognition for their outstanding swimming in this, their last, year.

As of this writing, Kenmore's wrestlers, coached by Mr. Bob Lucia, have an outstanding record for their second year, tallying nine wins and one loss, with only the Sectionals remaining. Tom Gerst and Paul Wilson have shown exceptional prowess in remaining undefeated throughout the season. The fastest win was by Tom Smith, who pinned one of his opponents in a brief twenty-one seconds. Other note-worthy efforts were displayed by Joe Zimmerman, Dennis Lauery, Ron Wade, Dan Santasier, Hunter Reid, Paul Frauenhofer, Bart Kock, and Captain Sal Sedita. Kenmore's team stands an excellent chance of winning the Section VI, AAA title, and several of the wrestlers are expected to place very high in the individual championships. The record of the team shows that last year's experience was valuable to them. Much of their success can be attributed to the intersquad competition which kept the regulars on their toes and to the terrific job of coaching which Coach Lucia contributed. The prospect looks bright for next year since only two of the regulars will graduate. Again Kenmore is proud of this squad.

Rifle Team

With three returning lettermen from last year's Section VI championship squad, Coach David Leake and the rifle team launched the '57-'58 season. As of this writing, the team shows high promise of repeated excellence in this third season of varsity competition. The Amherst match is pointed out with pride. The score of our third-place marksman was comparable to that of Amherst's best shot. The final score was 1369-1357. If Captain Bill Rustay and the other outstanding marksmen Mark Howard, Alan Carmichael, and Jim Dallas continue their good record during the remainder of the season, there will undoubtedly be another championship team for Kenmore to acclaim.

The 1957 track team continued to boost Kenmore as one of the outstanding teams in the area. Under the outstanding leadership of their captain, Jim West, the Blue Devil cindermen collected seven league wins to retain the League Championship. In the Section VI meet they defeated a group of the strongest teams in the area, including Amherst, who had seen an excellent season.

Record-breaking performances were shown by John Gerkin, who set a new school record in the 100-yard hurdles, and Ben Woodward and Tim Burns, who proceeded to lower the school mark in the 880. These two finished first and second in the Sectional meet with Tim Burns slightly ahead. Bob Doerr, winning the 220, and Mike Mehringer, first in the high jump, and the winning medley relay team of Dave Rosenthal, Jim Dole-

man, Roger Robson, and Ralph Zimmerman rounded out the rest of the team's sectional wins. Others who proved themselves valuable to the team were Bob Getty, Dick Thomson, Tom Brunton, Keith Markes, Drennan Daniels, Bob Avondo, and Earl McGroth. Next year's team with its dependable co-captains Neil Waldow and Don Woodin should have a successful season. Returning runners are Chuck Elliott, Rosenthal, Doerr, Zimmerman, Burns, Don Shields, Paul Wydysh, Bob Evans, Sal Sedita, Dave Hancock, Gerry Kohn, and Roger Robson.

Last year's squad was perhaps Kenmore's finest squad as far as its depth and quality. The team spirit, determination, loyalty, and co-operation were always evident.

The beginning of the '57 season found Coach Tom Kenny looking hopefully at a handful of returning lettermen. He was not disappointed either; the team tied for third in the league, with five wins and five losses. Among the conquered were Trott, North Tonawanda, Niagara Falls, Lockport, and Lackawanna. League leading Tonawanda managed to edge us out twice. LaSalle, Lackawanna, and Lockport also outscored the Devils in their second meeting.

An exceptional season was played by Captain Dick

Peck, who, with his terrific batting, pulled us out of many a slump. Gerry Gergley did a fine job on the mound. Larry Aiken, Jim Crawford, Joe Zimmerman, Bob Harper, Don Johnson also did fine jobs both defensively and offensively.

In looking ahead at next year's season, Coach Kenny sees a bright future. With lettermen returning to almost every position, he says, "Next year will see us right up there in the N.F.L."

For the third consecutive year the Blue Devil net men whizzed by all jungle competition to finish the season with an uncontended grip on first place. Following the amazing performance of Captain Leon Smith, who was undefeated in league competition, and the able leadership of Coach George Wessel, and the squad cast black magic on every occasion. Singles men Dave MacLeod and Al Krotz and the doubles teams of Fred Whaley and Vince DiPasquale, Dick Farrel and Pete Sweatt, and, when needed, Bob Joslyn and Tony Serfustini led the drive to the Niagara Frontier League championship.

To complete the season and reap new laurels for Kenmore's record, Leon Smith captured the singles championship, and the Dave MacLeod-Al Krotz team claimed the doubles trophy in the year-end Section VI Sectionals.

With captain Dave MacLeod, Vince DiPasquale, Dick Farrel, Bob Joslyn, and Tony Serfustini as returning lettermen to spark next year's squad, the 1958 season promises to be another successful one. K.H.S. good wishes, of course, will follow these men as they once more step onto the N.F.L. courts of action.

J.V. Football

The "Little Blue Devils" had a truly remarkable season this year with 4 wins and 0 losses. They had an almost scatheless record with only 6 points being scored against them during the whole season. Coached by Mr. MacGamwell and Mr. Larson, the J.V.'s were able to overwhelm Lackawanna, Lockport, Tonawanda and North Tonawanda.

Looking for Varsity slots at the end of the season were Frauenhofer, Gauchet, Fleishman, Dibble, and Pitkin. All of these boys did an exceptional job and will expect to see plenty of action next year on the Varsity squad.

J.V. Basketball

Starting their season with a new squad and a new coach Mr. Amo, the junior cagers looked quite green. As the season progressed, however, the team gained experience and made a notable showing in the league.

The team's strength was displayed in the playing of Dave Johnson, Dave Soloman, Chuck Huggan, Dan Hornberger, and Jim Hoppie. We are confident that these boys will capably fill the vacancies in next year's Varsity squad.

J.V. Swimming

The little frogs again were undefeated in the big pond. They downed all competition with ease in their ten meets. If the J.V.'s are any indication of next year's Varsity squad, and we hope they are, we will have a very excellent season.

Fine times were turned in by Bruce Tureck, Mike Kaplin, Jim Moffat, George Brown, and Sam Gorovich. Our only J.V. diver Delowesio did very well. Clodt, who started on J.V., moved up to the Varsity 200 freestyle relay team. All in all, it was a very successful year for the junior mermen.

J.V. Track

The Junior cindermen again upheld their undefeated streak this year. As did the more experienced Varsity squad, the J.V.'s out-scored and out-distanced all of its competition decisively.

Outstanding in the '57 season were Ray McMahon and Dave Stephenson in the 440. Jim Taylor and Dave Sugg show great promise in the sprints. The J.V. distance men, consisting of Arigo and Robson in the mile, and Peters and Conrad in the half, were greatly improved after Cross Country. From all aspects it looks as though next year's track team will be greatly enriched by this championship J.V. team.

Mrs. Barbara A. Holland

Miss Marie C. Kauffman

Mrs. Elizabeth L. Schweiger

One two three four, one two three four . . . after going through Miss Kauffman's vigorous exercises, every jungle girl is bound to have sore muscles the next day!

Miss Kauffman has long worked to develop more interest in girls' sports, and through her constant efforts we can boast of an excellent after school program. By the enthusiastic participation of the many girls in this program, it can certainly be said that she has been successful. This year we welcome to Kenmore Mrs. Schweiger and Mrs. Holland, our two new tribal game leaders. Formerly from California, Mrs. Schweiger has taught in Maryland and Niagara Falls, taking time out to raise her family of three children. Even with this busy schedule she finds time to write articles for magazines.

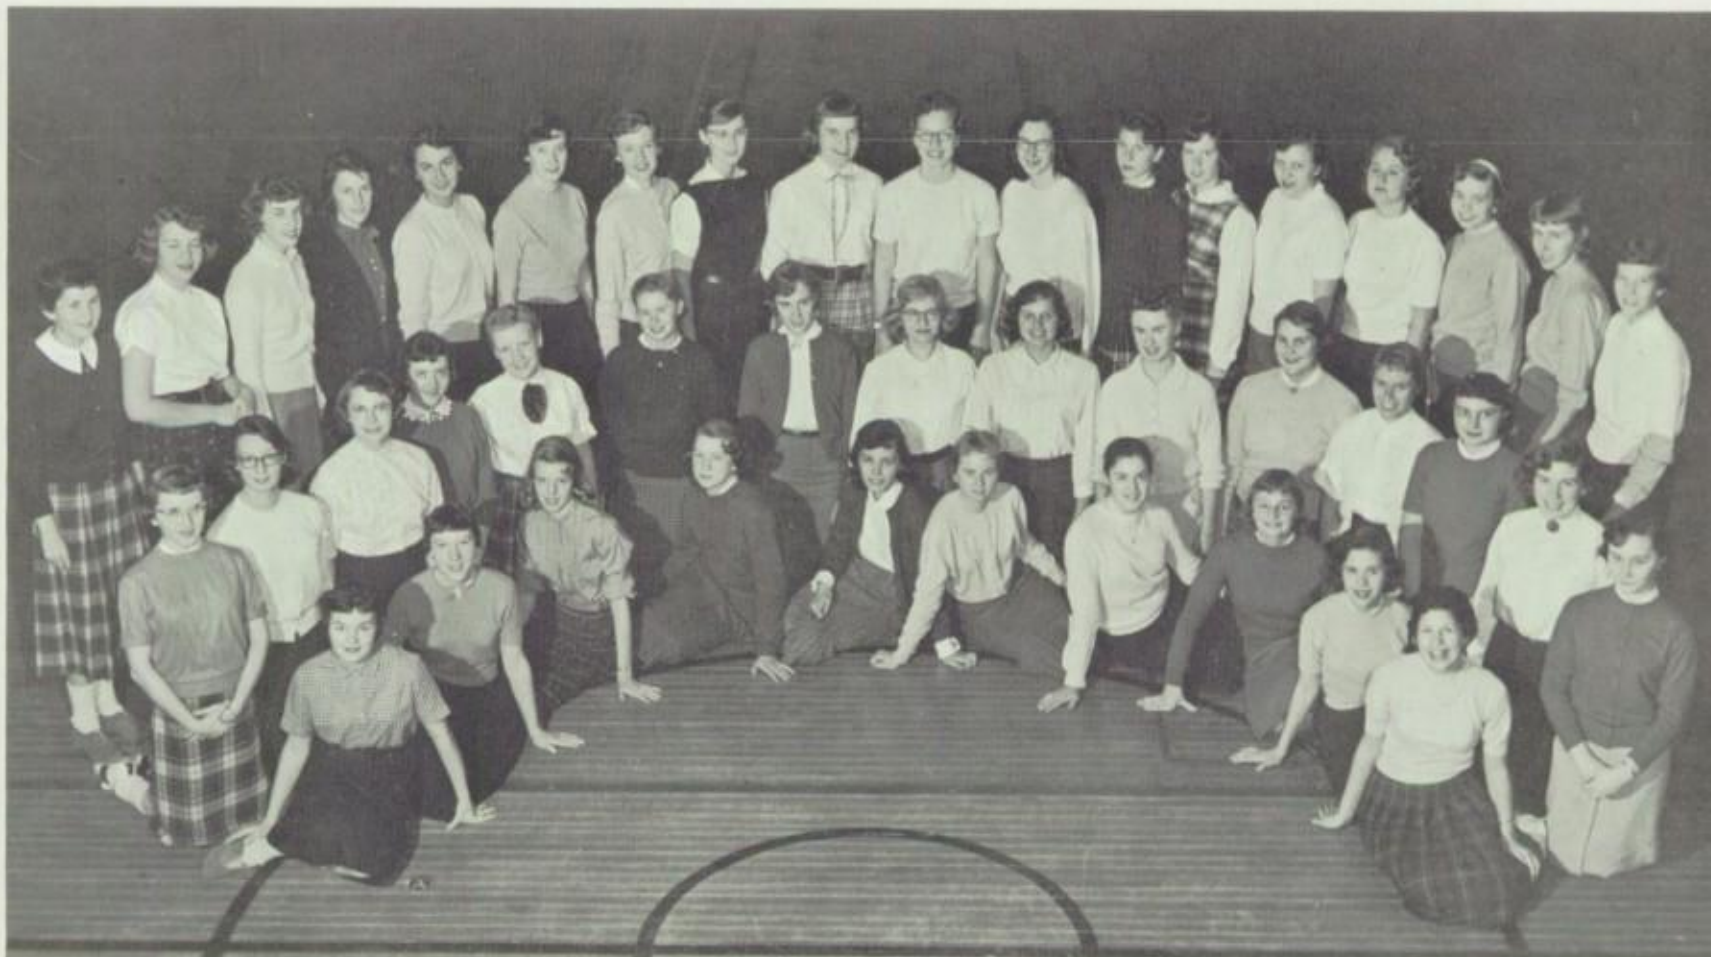

Mrs. Holland, a graduate of the University of Buffalo, has had three years of teaching experience, and she also is holding the double position of teaching and keeping a home.

Under the capable leadership of these three teachers, Kenmore can look forward to a successful safari into the field of girls' sports.

The Girls' Officials Club of 1958 has made a very thorough study of all basketball rules, for they not only must learn them, but must also demonstrate an extensive knowledge of them. A written test then qualifies these girls to officiate at after school basketball games. Their efforts are rewarded, for by so doing they gain twenty points towards membership in Girls' Letter Club.

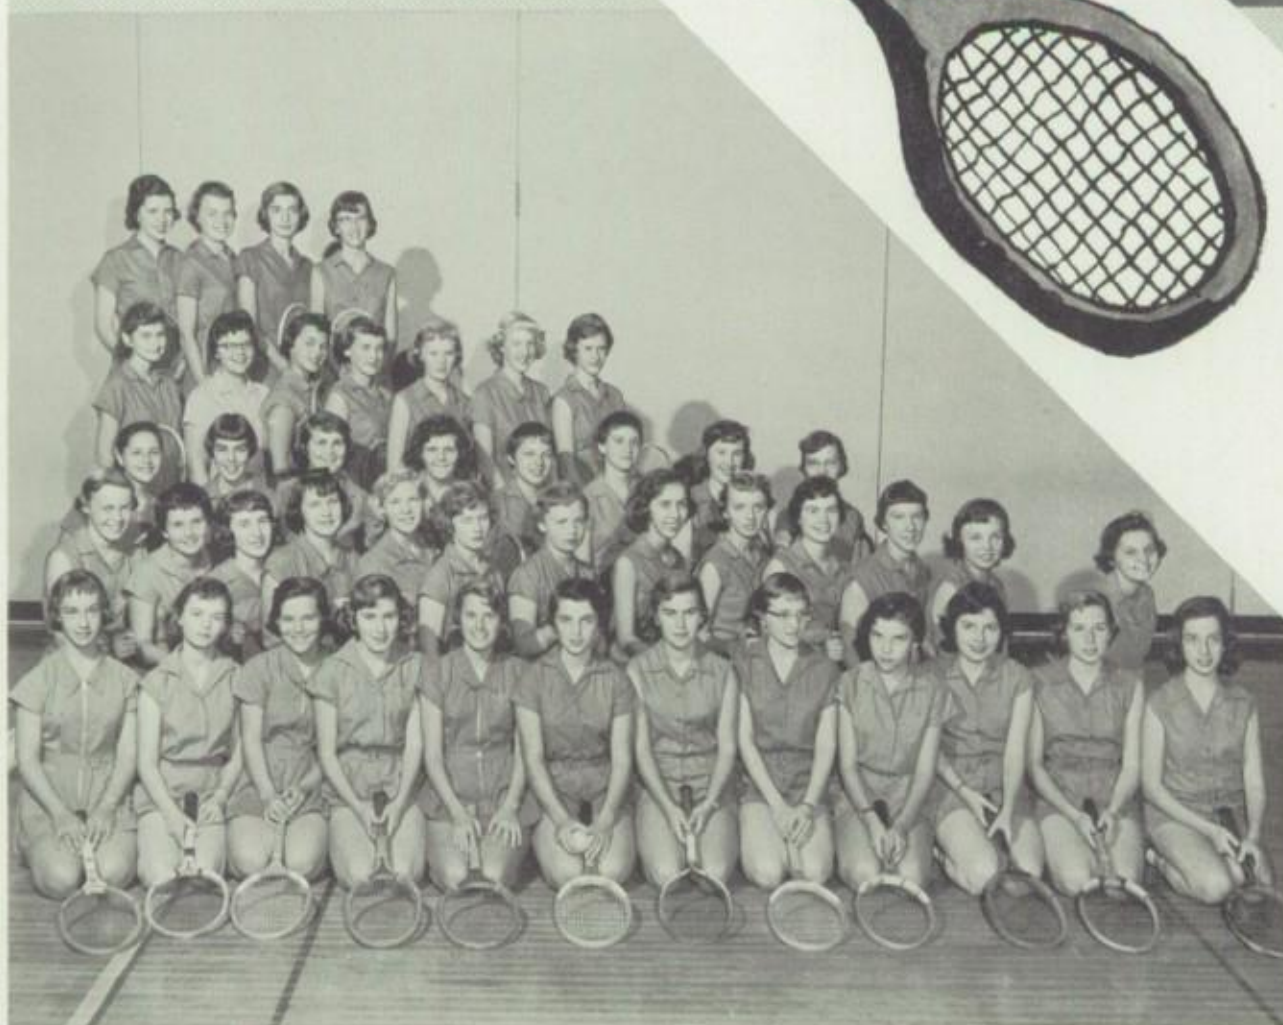

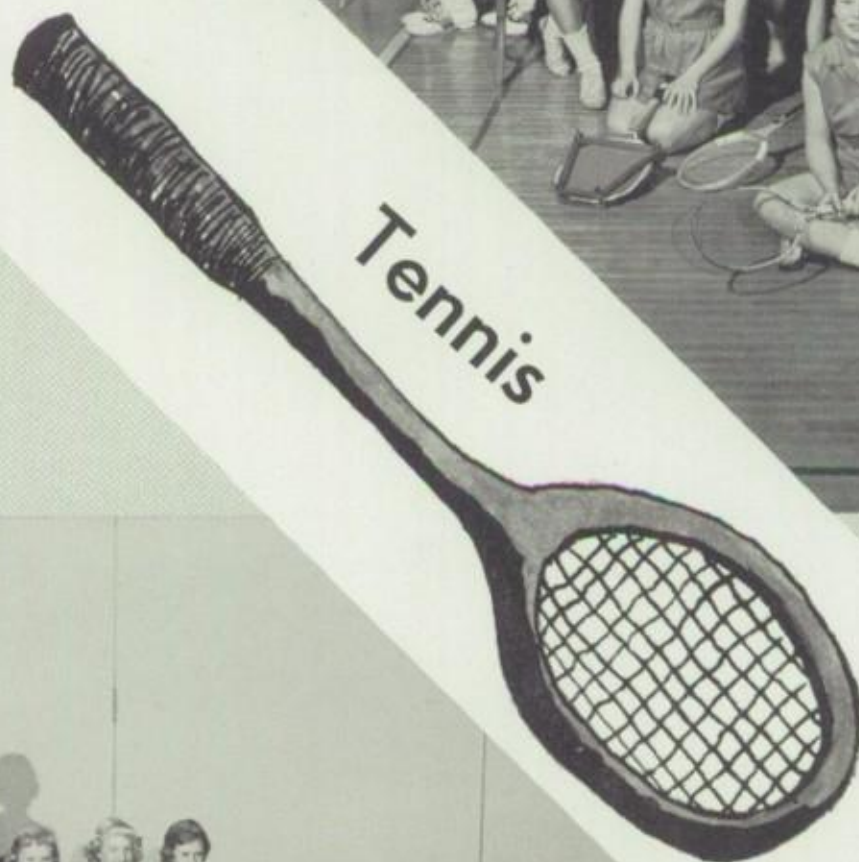

Archery

Archery is steadily gaining in popularity, for here in the jungle, it is necessary to know how to shoot. Actually it is one of the world's oldest sports, and these young Dianias find it a thrilling one. But don't think it's as easy as it looks—it takes real muscles to draw a bowstring taut!

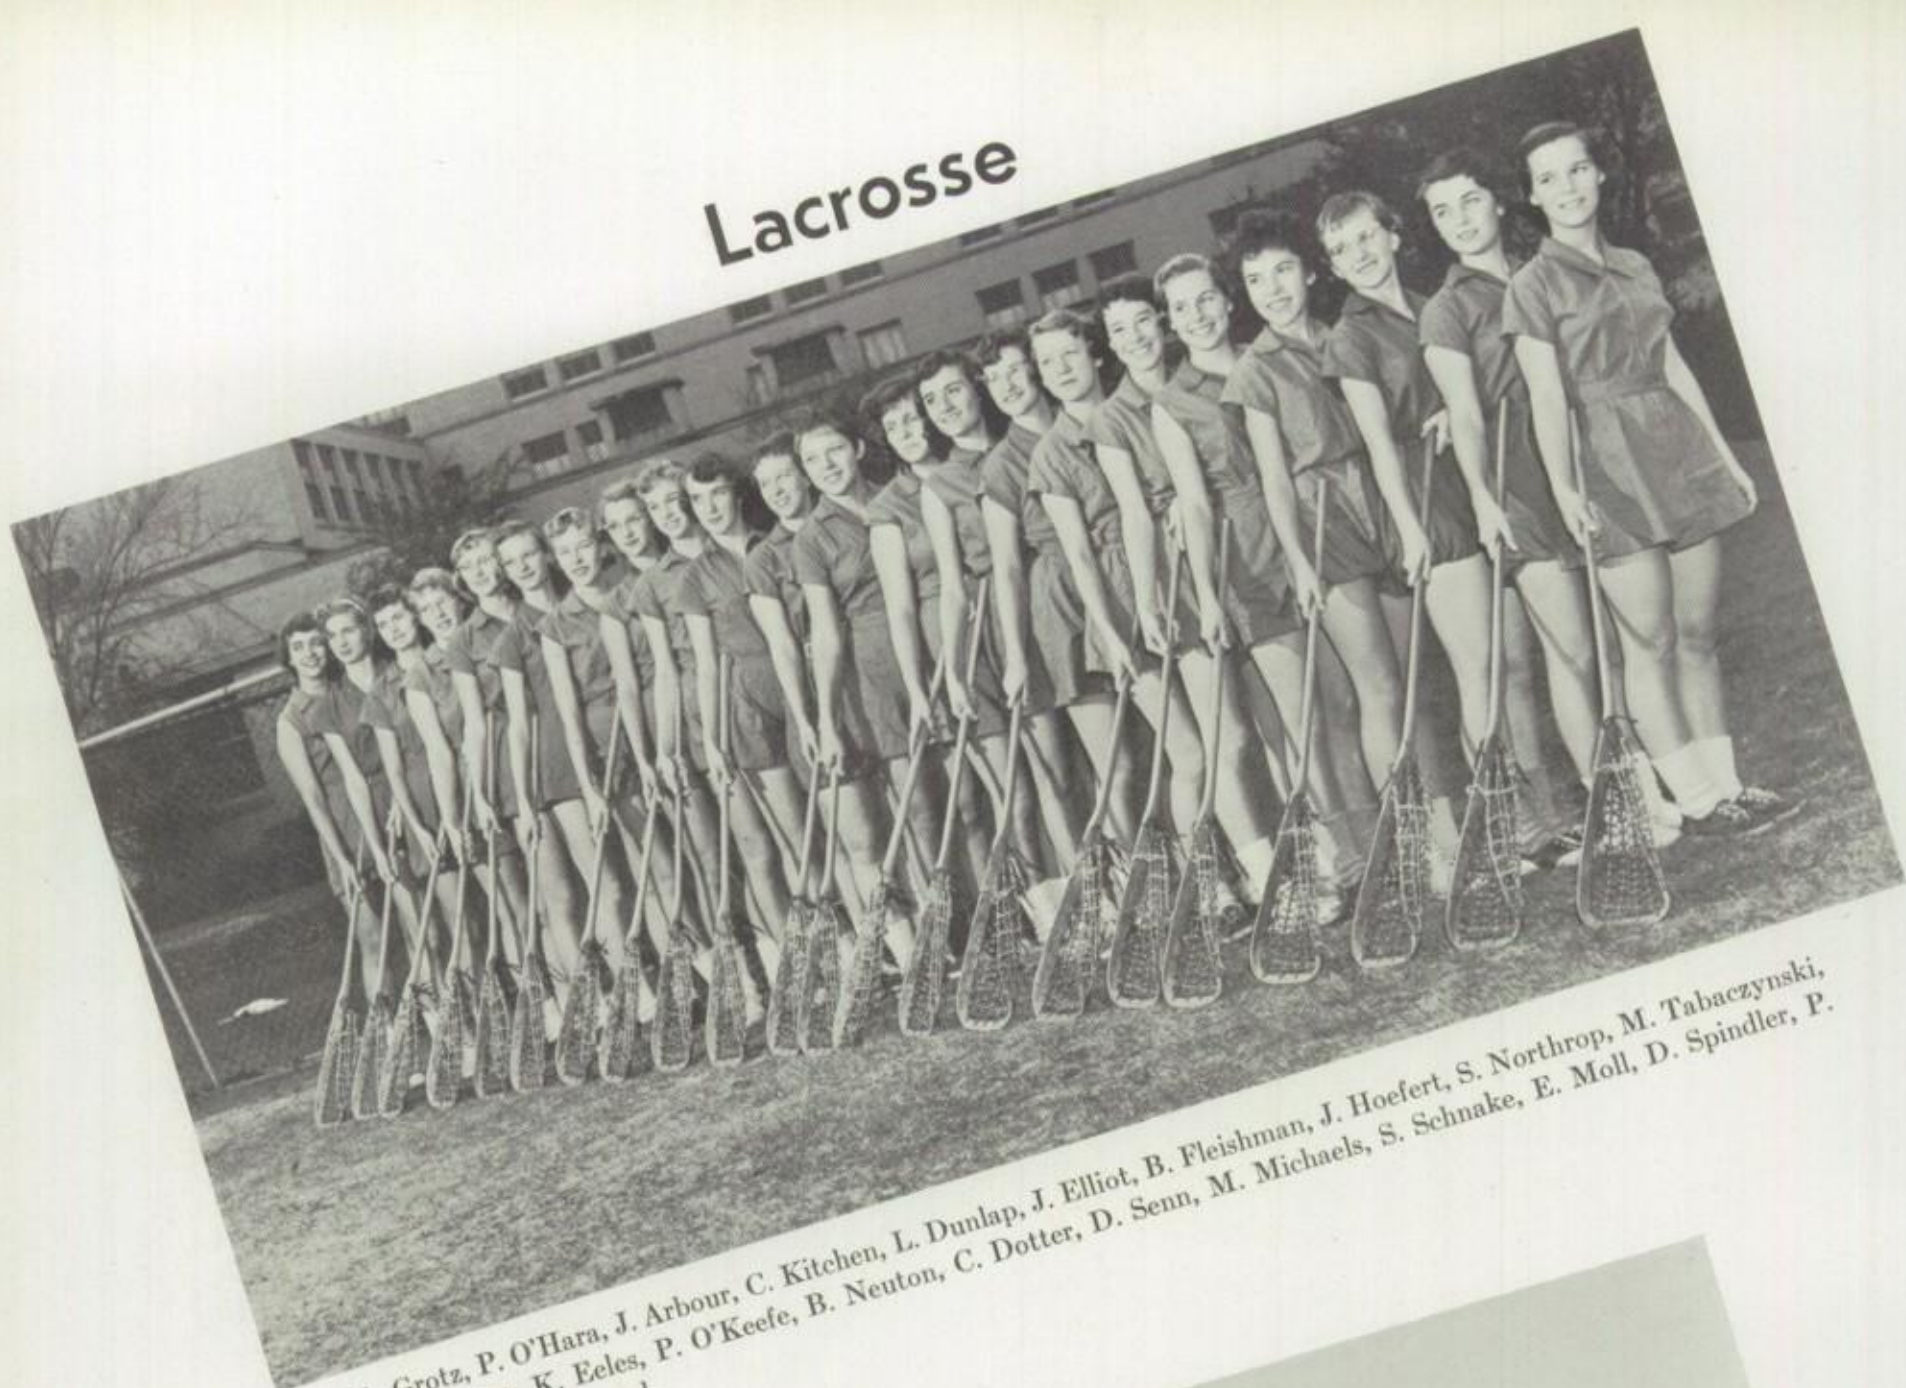

CINDY

Singles, doubles, deuce, and love—it's all in a game of tennis. Outside in the jungle clearing, both beginning and advanced groups practiced diligently to master the skills of this game. Tennis requires energy—something these girls seem to have a surplus of. We'll know where to look for them during the summer!

Fair play, good sportsmanship, co-operation, and fellowship; these are the ideals of the Girls' Letter Club. This organization, under the able sponsorship of Miss Kauffman, has done much to foster participation in after school sports. Letters are awarded to all girls who have earned 125 points, so enabling them to become members. This is indeed an honor, for points are earned only if the girls are present 90% of the time. Being a captain, referee, or member of a winning team adds extra points.

Everyone who attends our home football games is well acquainted with the hotdog, pop, and candy stands, manned by the members of Girls' Letter Club. The girls use these proceeds for the major event in their calendar, the June Banquet, at which special awards are given to the outstanding athletes in all the jungle sports.
